

WARNING

We have received reliable information with regard to adulteration, tampering and consequent mixing of low grade quality pigments with our KEMOX brand of Rutile grade Titanium Dioxide pigment. KEMOX is a trade mark protected brand and infringement on the same in any respect whatsoever would be viewed with utmost seriousness. All our esteemed customers, stockists / dealers and well wishers are requested to report any such activity noticed in their respective regions. KMML would initiate strict legal action against those indulging in such illegal activities. Please be informed that packaging of" KEMOX "is done with the state of the art automatic Bagging system deploying ultrasonic sealing technology which makes it distinct and inimitable.
