INVITATION OF EXPRESSION OF INTEREST FOR EXPORT AGENT

The Kerala Minerals and Metals Limited, the flagship PSU under the Industries Department of Government of Kerala is the only manufacturer of Titanium Dioxide Pigment through chloride route in India. It is an integrated processing facility located in Chavara, Kollam district of Kerala involving mining and separation of mineral sand to manufacture of various grades of Titanium Dioxide and Titanium Sponge. Company's product range inter alia includes Titanium Tetra Chloride, Synthetic Rutile, Ilmenite, Natural Rutile, Zircon and Sillimanite. The company's Titanium Dioxide production capacity is 40000 TPA.

Presently the company is marketing its Titanium Dioxide products in the domestic as well as international segment. In the domestic market, the company is having direct sales as well as sales through our authorized stockiest spread all over India. Carrying a legacy of consistent higher standards in quality, the company has already established the presence of its products in various countries through direct exports.

To venture out into new markets and explore new business opportunities in the European, African, Middle-East and Asia-Pacific region, we are looking for experienced and qualified Export Agents to promote our Titanium Dioxide Pigment products for an initial period of 12 months.

Interested agencies that have a minimum of 3 years' relevant experience in dealing any chemicals or pigments may forward their application in prescribed format with full details as detailed below along with valid records as proof of experience for the above.
